Policy Statement on the Safeguarding of Children and Adults in the Church

This statement was adopted by St Leonard's Keevil at a Parochial Church Council meeting held on 17 November 2015

We are committed to:

- the care, nurture of, and respectful pastoral ministry with, all children, young people and all adults.
- the safeguarding and protection of all children, young people and all adults.
- the establishing of safe, caring communities which provide a loving environment where victims of abuse can report or disclose abuse and where they can find support and best practice that contributes to the prevention of abuse.

To this end

1. We recognise that everyone has different levels of vulnerability and that each of us may be regarded as vulnerable at some time in our lives.

2. As members of this parish we commit ourselves to respectful pastoral care for all children and adults to whom we minister.

3. We commit ourselves to the safeguarding of children and people who may be vulnerable, ensuring their well-being in the life of this church.

4. We commit ourselves to promoting safe practice by those in positions of trust.

5. The parish commits itself to promoting the inclusion and empowerment of people who may be vulnerable.

6. It is the responsibility of each of us to prevent the physical, emotional, sexual, financial and spiritual abuse of children and vulnerable people and to report any such abuse that we discover or suspect.

7. We undertake to exercise proper care in the appointment and selection of those who will work with children and people who may be vulnerable.

8. The parish is committed to supporting, resourcing, training and regularly reviewing those who undertake work amongst children and people who may be vulnerable.

9. The parish adopts the guidelines of the Church of England and the Diocese including the principal sources of reference:

- *The Church of England's safeguarding policy for children, young people and adults "Promoting a safer church."*
- *House of Bishops "Practice Guidance: Safer Recruitment" June 2016*
- *Diocese of Salisbury "Framework for Safeguarding and Good Practice Working with children, young people and adults" Revised 2014*
- *Diocese of Salisbury paper "2014 Safeguarding – Parish Representatives" which outlines the role and responsibilities of the Parish safeguarding representative.*

10. Each person who works with children and vulnerable people will agree to abide by these recommendations and the guidelines established by this church.

Furthermore:

- We undertake to treat any complaints seriously and respond to them promptly,
- We will respond without delay to every complaint made that any adult, child or young person may have been harmed, cooperating with the diocese, police and local authority in any investigation.

- We will seek to offer informed pastoral care and support to anyone who has suffered abuse.
- We will seek to challenge any abuse of power, especially by anyone in a position of respect and responsibility, where they are trusted by others.
